

Cortez Farmers' Market Community Booth Application 2017

Non-profit community organizations are invited to promote their organization with literature and handouts. Space is allotted on a first-come, first-served basis. Organizations may collect donations and conduct membership drives. Organizations may only sell products which directly relate to their organization as a fund raiser, and which do not compete with any paid vendors' stand at the Farmers Market.

Organizations must arrive prior to 7 am and be set up by 7:30 a.m. Departure from the Market is not allowed until after 10:30 am. If you are not going to make the date you are scheduled for, please notify Theresa Titone at theresaincortez@gmail.com at least one day in advance!
